Exemplary Practices in Marine Science Education

A Resource for Practitioners and Researchers

- **First international book on marine science education and ocean literacy**
- **Addressing researcher and practitioner issues in marine science and ocean literacy education**
- **Valuable resource for undergraduate and graduate courses in both science and education**

This edited volume is the premier book dedicated exclusively to marine science education and improving ocean literacy, aiming to showcase exemplary practices in marine science education and educational research in this field on a global scale. It informs, inspires, and provides an intellectual forum for practitioners and researchers in this particular context. Subject areas include sections on marine science education in formal, informal and community settings. This book will be useful to marine science education practitioners (e.g. formal and informal educators) and researchers (both education and science).
