Transdisciplinary Theory, Practice and Education

The Art of Collaborative Research and Collective Learning

- An integrated, state-of-the art book where practice and theory merge in useful ways
- Offers insights for practitioners and academics from a range of disciplinary homes and geographical locations
- Has some of the world's best known contributors on transdisciplinarity
- Can be used as a comprehensive resource on transdisciplinarity

This exciting new state-of-the art book reviews, explores and advocates ways in which collaborative research endeavours can, through a transdisciplinary lens, enhance student, academic and social experiences. Drawing from a wide range of knowledges, contexts, geographical locations and internationally renowned expertise, the book provides a unique look into the world of transdisciplinary thinking, collaborative learning and action. In doing so, the book is action orientated, reflective, theoretical and intriguing and provides a place for all of these to meet and mingle in the spirit of curiosity and imagination.
