Self-Organizing Systems

5th International Workshop, IWSOS 2011, Karlsruhe, Germany, February 23-24, 2011, Proceedings**• up-to-date results fast track conference proceedings state-of-the art report**

This book constitutes the refereed proceedings of the 5th International Workshop on Self-Organizing Systems, IWSOS 2011, held in Karlsruhe, Germany, in February 2011. The 9 revised full papers presented together with 1 invited paper were carefully selected from 25 initial submissions. It was the 5th workshop in a series of multidisciplinary events dedicated to self-organization in networked systems with main focus on communication and computer networks. The papers address theoretical aspects of self-organization as well as applications in communication and computer networks and robot networks.
