Weber-Wulff, Debora

False Feathers

A Perspective on Academic Plagiarism

- Identifies and elaborates on many different strategies for identifying plagiarism
- The author, as an active member of the VroniPlag Wiki group, explains how the group finds and documents plagiarism in dissertations
- Presents a selection of historical plagiarism cases in German-speaking countries
- Includes an overview of plagiarism policies in different countries

Since human beings have been writing it seems there has been plagiarism. It is not something that sprouted with the advent of the Internet. Teachers have been struggling for years in countries all over the globe to find good methods for dealing with the problem of plagiarizing students. How do we spot plagiarism? How do we teach them not to plagiarize? And how do we deal with those who have been found out to be plagiarists? The purpose of this book is to collect material on the various aspects of plagiarism in education with special attention given to the German problem of dissertation plagiarism. Since there is a wide-spread interest in the German plagiarism situation and in strategies for dealing with it, the book is written in English in order to be accessible to a larger audience.
