Proceedings of 20th International Conference on Industrial Engineering and Engineering Management

Theory and Apply of Industrial Management

- Application of Industrial Engineering in Chinese Enterprise Engineering Management Technique and Method of Chinese Style
- New Development of International Industrial Engineering and Engineering Management
- Innovative Method and Its Application about Industrial Engineering and Engineering Management, and Other Related Fields

The International Conference on Industrial Engineering and Engineering Management is sponsored by the Chinese Industrial Engineering Institution, CMES, which is the only national-level academic society for Industrial Engineering. The conference is held annually as the major event in this arena. Being the largest and the most authoritative international academic conference held in China, it provides an academic platform for experts and entrepreneurs in the areas of international industrial engineering and management to exchange their research findings. Many experts in various fields from China and around the world gather together at the conference to review, exchange, summarize and promote their achievements in the fields of industrial engineering and engineering management.
