Using Microsoft Dynamics AX

The New Dynamics 'AX 7'

- Easily learning Dynamics AX through hands-on examples
- Including a simple but comprehensive case study
- Knowledge to handle all basic business processes in Dynamics AX

This book provides precise descriptions and instructions which enable users, students and consultants to understand Microsoft Dynamics AX rapidly. Microsoft offers Dynamics AX as its premium ERP solution, supporting large and mid-sized organizations with a complete business management solution which is easy to use. Going through a simple but comprehensive case study, this book provides the required knowledge to handle all basic business processes in Dynamics AX. Exercises are there to train the processes and functionality, also making this book a good choice for self-study.
