Emerging Trends in Science, Engineering and Technology

Proceedings of International Conference, INCOSET 2012

- Latest research on Trends in Science, Engineering and Technology
- Results of 2012 International Conference on Emerging Trends in Science, Engineering and Technology (INCOSET 2012) held December 13-14, 2012 in Tamil Nadu, India
- Peer reviewed research papers from National and International community

The present book is based on the research papers presented in the International Conference on Emerging Trends in Science, Engineering and Technology 2012, held at Tiruchirapalli, India. The papers presented bridges the gap between science, engineering and technology. This book covers a variety of topics, including mechanical, production, aeronautical, material science, energy, civil and environmental energy, scientific management, etc. The prime objective of the book is to fully integrate the scientific contributions from academicians, industrialists and research scholars.
