

Political Science and International Relations : Asian Politics

Yu, Jianxing, Guo, Sujian (Eds.)

The Palgrave Handbook of Local Governance in Contemporary China

- Offers the first-ever handbook on Chinese local governance at a time of change
- Provides a guide to hot-button issues such as technology, elections, protests, citizen engagement, and local issues
- Brings together an international team of scholars to create a new center of discourse around China's local governance

This Handbook provides a comprehensive overview of local governance in China, and offers original analysis of key factors underpinning trends in this field drawing on the expertise of scholars both inside and outside China. It explores and analyzes the dynamic interaction and collaboration among multiple governmental and non-governmental actors and social sectors with an interest in the conduct of public affairs to address horizontal challenges faced by the local government, society, economy, and civil community and considers key issues such as governance in urban and rural areas, the impact of technology on governance and related issues of education, healthcare, environment and energy. As the result of a global and interdisciplinary collaboration of leading experts, this Handbook offers a cutting-edge insight into the characteristics, challenges and trends of local governance and emphasizes the promotion of good governance and democratic development in China.
