It brings together the intellectual contributions made by Professor Fernando González Rey (1949–2019) towards understanding human subjectivity, and emphasizing their unfolding in different fields and contexts. The book addresses the genesis and development of González Rey's work, articulating this discussion with the author's biography. González Rey's main scientific contribution is the Theory of Subjectivity in a cultural-historical perspective, which is inseparable from Qualitative Epistemology and from its constructive-interpretive methodological expression.
